

## **Environmental Policy Statement**

Romar Innovate Limited share a strong sense of responsibility to the environment in which we live and work.

In this spirit, the following principles govern our actions and attitudes in environmental matters. Romar Innovate Limited will:

- Support the responsible stewardship of resources including natural resources, and products used for our manufacturing processes.
- Support the principle that sound environmental practices are socially responsible and important for sustainable business development and growth.
- Conduct its business in a responsible manner designed to protect the environment and health and safety of employees, customers, and the public, by complying with all applicable laws and regulations.
- Train its employees in environmental, and health and safety responsibilities.
- Promote environmental awareness among its employees, customers and the public.
- Look for new, creative and effective ways to reduce, reuse and recycle to protect and preserve the environment.
- Minimise the production of waste and promote programs that support our customer's pollution prevention activities.
